**RECTOR,**  
**Professor Anca Dana Buzoianu MD, PhD**

**DEAN,**  
**Professor Șoimița Mihaela Suci MD, PhD**

## LEGEND

**FD** – fundamental discipline;

**DD** – domaine discipline;

**SD** – specialization discipline;

**CD** – complementary discipline;

**E** – exam;

**V**- evaluation during the semester;

**C** - colloquium

**PA** – practical activities;

**ECTS** – transferrable credits.

## **Remarks**

- Romanian Language is compulsory for international students and it will consist of 84 h = 3 hours/week;
- Modern Language is compulsory for Romanian students and elective for international students;
- Medical Biophysics, Cell and Molecular Biology and Medical Informatics and Biostatistics are fully studied during the first semester;
- First Aid is conducted in the mirror with the Bases of Medical Communication
- Medical Psychology is conducted in the mirror with Behavioral Sciences
- \*Sport is a **COMPULSORY** discipline with additional credits.

\*\* Elected Courses for 1<sup>st</sup> Semester: Introduction to experimental surgery, Advanced communication skills

\*\*\* Elected Courses for 2<sup>nd</sup> Semester: Introduction to experimental surgery, Healthy living in the prevention and control of chronic non-communicable diseases
