

“Working together for
a green, competitive and inclusive Europe”

“HE-RO-IS strategic cooperation in hematology”

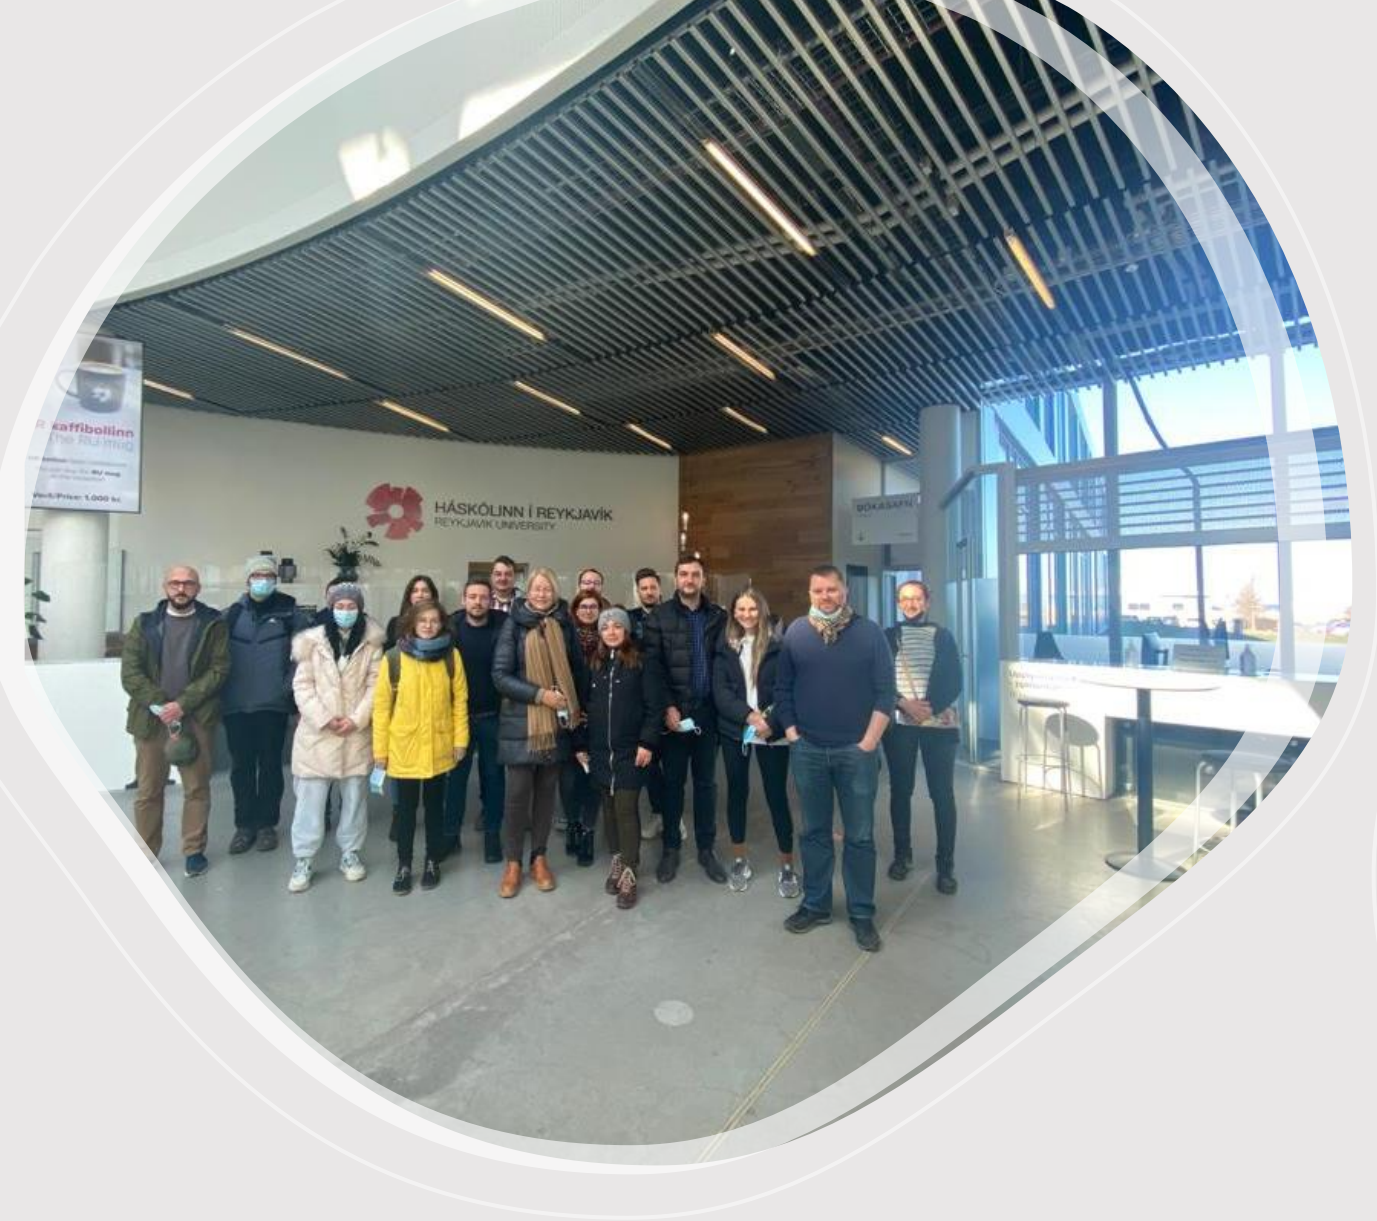

F SEE 2014-2021 No. 19-COP-0031

Translational project management meeting

The 10th of May 2021

Disclaimer: This multiplier event was realised with the EEA Financial Mechanism 2014-2021 financial support. Its content (text, photos, videos) does not reflect the official opinion of the Programme Operator, the National Contact Point and the Financial Mechanism Office. Responsibility for the information and views expressed therein lies entirely with the author(s).

Translational project management meeting - TPM1

The 10th of May 2021

“Working together for
a green, competitive and inclusive Europe”

- our joint research studies and clinical data had been discussed, the results obtained would be published in research articles with a high impact in the medical field (5 joint publications).
- details related to the mobility of Icelandic staff and students in Romania, during September 2021, were established as well as the participation in the transnational multiplier events within the project.
- the implication of the partners from Fundeni Clinical Institute (Alina Tanase M.D.), Ion Chiricuta Oncology Institute (Ciprian Jitaru M.D.) and the Gastroenterology Institute in Cluj (Petrușev Bobe M.D.) and their contribution in the project were mainly discussed.
