

**COMPETITION NOTICE**  
**To the attention of 4th year MD students**  
**(study program in Romanian, English, French)**  
**These mobilities take place during the academic year!**

Dear students,

We inform you of the possibility to participate in the selection contest for Erasmus+ scholarships for the academic year 2021-2022. Through the Erasmus+ Program, students of the Faculty of Dentistry have the opportunity to benefit from a study or placement mobility (1-2 semesters) in another country participating in the program, based on bilateral agreements between UMF Cluj and partner universities in the following countries: Austria, Italy, Spain, France, Poland, Portugal, Bulgaria or Turkey.

- Candidates are required to know the foreign language (minimum level B1, B2 recommended by most partners) in which the studies / internships will take place (the language of the host country, or English for countries such as: Poland, Bulgaria, Portugal).
- Candidates must be integralist and have an average of at least **7** (the general average for the completed years of study).
- The application procedure, including the selection schedule, are described in the attached information documents.

The files are submitted between **March 1, 2021 and March 12, 2021; 24:00 Romanian time, exclusively online!**

The link of the form to which you will have to submit the applications will be provided on **March 1, 2021** by posting on the UMF website, in the Erasmus section and through the secretariats of the Faculty of Dentistry.

The file will be sent in a **single PDF file**, which will not exceed the size of **1 GB!**

The application files that will not be submitted within the mentioned term, **WILL NOT COMPETE!**

The share of the interview in the final score will be 20%.

We also attach the list of available places.

We wish you success!  
The Erasmus + team
